

ברוך שהגיענו לזמן הזה

After many months of hard work, a pressing need in our community has been met: a Mikvah Tahara, Mikvah Ohel Tzipa, under the supervision of M.O.R.C., finally stands in Wesley Hills. Businesses both local and farther afield have been remarkably generous in donating goods for the Chinese Auction to benefit the Mikvah. In the spirit of *כל ישראל ערבים זה לזה* it is our great hope that the Monsey community will show similar generosity, and help with the final drive that will bring our efforts to fruition. In the merit of this special Mitzvah, may Hashem bestow His abundant blessings on us all.
